**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer who telecommutes. Im able to do my technology work from home 2 days a week because my fiber high speed Internet that I just upgraded too from DSL at a very comparable rate. Dont ruin broadband competition with corporate greed. If passed, this petition would dismantle critical components of the 1996 Telecommunications Act, disabling competition and eradicating consumer choice. That is not cool. Keep the high speed broadband Internet fair and accessible to all.

Michael Taylor
